

## From a Book

life is short  
love is tenacious

"The unexamined life  
is not worth living"

when we hurt others  
we hurt ourselves

We exist, we have choice  
nothing in excess

we are accountable  
for our choices

even confined  
we have freedom

this, and more  
I have learned  
from a book

12-12-20

[poetry submission for the Prison Book Program]
