EVERY AREA

Every area, populated as Urban, Black and Brown, we can hear the same sounds. Bang, Bang, Bang, Bodies lying on the ground. Poverty spreaded all around. Zero tolerance with anger and frowns. Stereotypical views up close and outta bounds.

Every area, populated as Urban, Black and Brown, we can hear the same sounds. Judges hitting their gavels very proud. Serving up Mass Incarceration of Minorities as Nouns. People, Places and Things no matter how foul. Then treating "US" like clowns. I remember Judges at Cook County Courts betting on Black and Brown People by the pounds. The Prisons and Jails are full of the People from Places where Poverty's spreaded all around. Lastly, the Things done could be the very reasons Bodies are lying on the ground.

Every area, populated as Urban, Black and Brown, we can hear the same sounds. Police Departments getting down on Black and Brown, which leads our Nation in Wrongful Convictions- WOW! It shows and proves Justice isn't fair, equal or proud. I see it as Generational Lifestyle. This unfairness happens to White Citizens only once in awhile. This same unfairness was on Slave Plantations mile after mile.

Every area, populated as Urban, Black and Brown, we can hear the same sounds. Imagine IF America would fix HER mental, spiritual & emotional Trauma she's dialed. Like Murder, Rape, Assault and Terror that was always a choice and lifestyle. They even created "The Police" to personally teach Others how. It was their order of Daily Business to cause unhappy fake smiles. They even perpetrated God's Word excessively and loud.

Every area, populated as Urban, Black and Brown, we can hear the same sounds. Whereas, we were considered racial bile. The Hate was seen, felt, recorded and filed. Century after Century it compiled. We waved The White Towel. They mobbed up, turning into a hostile Deadly Crowd. The Bloodshed has lasted 246 years my child. We've all witness what has happen and we're not senile. Why are we lost inside of an isle? When every area should be flooded with knowledge, skills and talents, flowing like the river Nile.

Absolutely, every area, populated as Urban, Black and Brown, we can hear the same sounds. They have been intentionally exile. Labeled High Crime Area, Violent, Dangerous, Drug and Gang Infested, Redlined, Food Desserts, Unhealthy and Pity Piles.
