

I AM

1- 20 23

I am, a better Man than I was when I came in here. I've found GOD, my Task and I've overcome almost all my doubts and fears. I wonder, if my Overseers are Fair, because, Their Motives arent always precise nor clear.

I hear, The Holy Spirit all over here. The Holy Spirit is always near. He protects and guides ME everywhere.

I see, my Life as a Professional with a magnificent Career.

I want, to change America and this world of Racial Iniquity created on our shores here. No American should live in poverty and fear.

I surely am, a better Man than I was when I first came in here.

I pretend, I'm walking the shores of Lake Michigan with my Woman [REDACTED] in look alike gear. The Sun is setting, it's a bright orange mixed with red and yellow, as we hold hands, kiss a little and stare.

I feel, no pain or worry, because my Freedom is almost here. It's been 19 years of this Nightmare.

I touch, her lips with mine, and we're very aware, of what Our Soul's and Heart's want too bare. GOD created "US" to be a pair.

I worry, about The Powers That Be not being Just or Fair.

I cry, out in ecstasy when I run my hands through [REDACTED]'s soft brownish black hair.

I am, a better Man than I was when I came in here, and all should be-aware, because, I'm almost all the way out of here. I assure Yall, I'm going to Love it out there.

I understand, I must be accountable and responsible with all my affairs.

I say, M.A.N.- Motivate, Assist & Nurture Human Beings everywhere.

I say W.O.M.A.N.- is the Wealth Of Motivating, Assisting & Nurturing Human Beings everywhere.

I dream, about this Concept Infiltrating the entire American atmosphere.

I try, to Model this Way of Life especially within here, but I have also introduced it out there.

I hope, to build an Conglomerate of this M.A.N. & W.O.M.A.N. Program throughout this Northern and Southern hemisphere, for all Human Beings to know, they are sooo dear, and WE sincerely and wholeheartedly can revere.

I am, not the Man I was when I first came in here. I am, a better Man and I aim to be The Best MAN of every year.
