

WHERE I BELONG

1-22-23

Where I belong, I belong at home, Teaching and Managing my Family how to preserve our Bloodline and Throne.

I belong to Jesus and with those of The BIBLE in The Book of Solomon Songs. Like chapter one, verse five-I AM BLACK (Dark & Lovely) in skin tone.

I belong to Humanity and I should be shown, that I've sincerely matured and atoned. Today, I'm very capable of standing on my own.

Please accept my sincerest apology for all my wrongs. I was weak in my Drug Addiction, and now I have overcome it, and I'm strong.

I'm almost 61 years old, with bad Health, but I'm not gone. Hopefully for my Daughter and Grand Daughters, I live long.

I still have some explaining to do with Them for my neglect and wrongs.

Absolutely every moment in Prison, I say in my Mind and Heart, Arnold this isnt where I belong.

Yet, I dont want to Question GOD'S Will, because, with The Grace of GOD, I have been allowed too continue on.

I appreciate The Multitude and Their sharing with this Dog an Invalueable Bone. Surely in the beginning of this journey, I thought I'd never make it back Home.

Actually, for my Behavior, I sometimes thought this is exactly where I belong.

But in April 2006, I heard The Voice of GOD loud and strong. He said "Why dont You Trust Me".

Then in May 2006, He said " I know the Thoughts I Think of You, Thoughts of Good and not Evil".

Said He would bring ME to an expected end Jeremiah 29:11-14.

This is where I belong, in The Presence of GOD, His Bloodline, Kingdom and Throne!
