

THE THREAT OF A SLAVE

2-10-23

The threat of a slave, was for Him or Her to misbehave. See, they were property engraved. Yes, they were marked by The Beast in those days. It didnt matter they were Human Beings GOD had made. The Beast said they were slaves.

The threat of a slave, was Them understanding what They were made. See, a Majority of Slaves were from Civilized Societies in those days. It was The Africans most Human Beings followed that GOD made. The Africans didnt have War in The Beast ways.

The threat of a slave, was emulating The Beast lifestyle in every way. Yes, They would become Bloodthirsty and Power Struck each and every day. The Beast is addicted to Blood, Human Blood they say. Its the only alternative for The Slave to get away, or become passive too The Beast, and get down on their knees and Pray.

The threat of a slave, was to Believe their Evil would just go away. History has taught US, Master and The Society at large had Their way. Its also known, The Majority back then Professed Slavery was The Christian Way. So all The Rules and Laws were formulated around The Slaves in those days. The threat of a slave, is to teach Others how The Beast misbehaved. Truly The Beast doesnt want that Shame of those days. So, They Lie and Pretend, Slavery was an Accident of circumstantial debate. Today, They call it Critical Race Theory in every way. They call US WOKE, because, we learned The GOD They were praying too wasnt YAHWEH.

The threat of a slave, is seemingly everyday, and in every way. The Slave has Love, The Beast has Hate. The Beast has shown US, He actually Loves to Hate. He will probably never allow The Slave to fully participate, but The Slave doesnt have to Fall from The Beast mistakes. GOD can and will allow You to eradicate The Beast undertake. The threat of a slave, has saved a many days.
